

# ▶ AutoBorrow

*A seamless connection between your Farm Credit and Bank of America accounts.*

- ▶ Say goodbye to the proverbial crystal ball. AutoBorrow spares you the daily task of estimating your cash position. Through an electronic link between your Farm Credit loan and your business checking account at Bank of America, AutoBorrow automatically transfers funds between these accounts as appropriate, ensuring that your money achieves its maximum return on any given day.
- ▶ What can AutoBorrow do for you?
  - Save you time and money.
  - Accurately assess your cash position each day.
  - Initiate automatic transactions on a same-day basis for maximum precision.
  - Reduce your interest expense.
  - Eliminate expensive wire transfers.
  - Make your money work for you by investing idle funds.
