

► FastCash

Quick and easy fund transfers by phone—no more wire charges.

- Need money in a hurry? With just a phone call, FastCash can transfer funds from your Line of Credit loan into your personal or business checking account. When you need money fast—to make a purchase, cover a check or just pay operating expenses—FastCash delivers. Call us today and your check is in your account the next morning.
- With FastCash you:
 - Can do your banking from home, the office or the cab of your tractor—wherever you have a phone.
 - Save time. No more rushing to town to pick up a check. Automated banking simplifies your busy life.
 - Save money. Wire transfer fees become a thing of the past. FastCash is free.
 - Know your transactions are safe.
 - Get on with business while we take care of the details.
